

United Nations Global Compact Statement

AUO Corporation continues to support and actively implement the Ten Principles of the United Nations Global Compact (UNGC) related to human rights, labor, environment, and anti-corruption. We ensure that our operations and supply chain management adhere to international standards for human rights, labor practices, environmental protection, and anti-corruption measures. We are dedicated to integrating the UN Global Compact and its principles into our corporate strategy, culture, and daily operations. Furthermore, we strive to participate in collaborative initiatives that promote the achievement of the United Nations Sustainable Development Goals (SDGs).

The Ten Principles of the United Nations Global Compact include :

Human Rights

Principle 1 : Businesses should support and respect the protection of internationally proclaimed human rights.

Principle 2 : Make sure that they are not complicit in human rights abuses.

Labor

Principle 3 : Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining.

Principle 4 : The elimination of all forms of forced and compulsory labor.

Principle 5 : The effective abolition of child labor.

Principle 6 : The elimination of discrimination in respect of employment and occupation.

Environment

Principle 7 : Businesses should support a precautionary approach to environmental challenges.

Principle 8 : Undertake initiatives to promote greater environmental responsibility.

Principle 9 : Encourage the development and diffusion of environmentally friendly technologies.

Anti-Corruption

Principle 10 : Businesses should work against corruption in all its forms, including extortion and bribery.
