The AUO Sustainability Policy

1. With the “Bright Innovation, Amazing Life” vision, AU Optronics is committed to business sustainability by balancing economic, environmental, and social needs.
2. We uphold the highest standards of integrity. Any and all forms of bribery, extortion, corruption, and illegal profits are strictly prohibited.
3. Weighing risk and opportunity, we create benefits for our customers, shareholders, employees, and relevant stakeholders.
4. We operate in full compliance with the laws and regulations, and adhere to internationally recognized standards and initiatives.
5. As the company takes on the mission to be a global leader in green solutions, we foster continuous product innovation and are dedicated to technology advancement.
6. By strengthening partnerships with our value chain, we seek joint value optimization and positive impacts.
7. We believe enhanced resources and greater energy efficiency will stimulate a more circular economy.
8. We wish to reduce adverse environmental impacts, mitigate climate change, and preserve ecological balance.
9. We support the Universal Declarations of Human Rights and place importance on equal opportunities, diversified career development, and labor rights.
10. We promote work-life balance and maintain a comfortable and safe environment to ensure human capital development.

11. With “Integrity & Introspection,” “Caring & Contribution,” “Execution & Excellence,” and “Passion & Professionalism” as our core values, we actively engage in corporate citizenship and make valuable contributions to the society.
12. We promote greater transparency and accountability by enabling proactive information disclosure and sharing.
